

## Uploading Documents

**Note:** It is recommended that you use Google Chrome as your internet browser because other browsers may not work properly with the Patient Registry website.

1. Click on the **'Documents'** tab. Keep in mind the section you are currently working on will be highlighted in green on the application tabs.
2. **'Upload New'** next to the document you want to upload.

3. Select **'Drop an Image Here or Click to Select'** to search for and select the appropriate document(s).
4. Once you have selected the file, click the **'+Upload!'** button.

5. Repeat the above steps to attach multiple files to the same document field.
