MEMORANDUM FOR ALL HOME AND COMMUNITY BASED CARE PROVIDERS

FROM: Celesta Hartgraves, Director *Celesta Hartgraves*
Division of Senior and Disability Services

SUBJECT: Announcement of the Provider Reassessment Information Internet Page

In a continued effort to support Home and Community Based Services providers who choose to assist in the gathering of information for participant reassessments, DSDS has developed a specific internet location to consolidate Provider Reassessment information. Located at <http://www.health.mo.gov/seniors/hcbs/>, this site summarizes previously distributed information and will contain future Provider Reassessment resources and memorandums.

Providers are encouraged to become familiar with the page in order to access information related to the reassessment process as needs arise.

- [Participation Requirements](#) defines the criteria that must be met in order for an HCBS provider to participate in the reassessment process.
- [Reassessment Process](#) outlines the protocol for completing and submitting reassessments. Links to required forms are available.
- [Provider Reassessment Training](#) offers training dates, a list of certified trainers and information regarding registration and training requirements.
- [Provider Reassessment Memos](#) contains all memos specific to provider reassessment that have been distributed. Any future memos related to this topic will be located here as well.

Any questions regarding this memorandum should be directed to the Bureau of Program Integrity via e-mail at programintegrity@health.mo.gov or by phone at 573-526-8557.
