From: Jessica Bax, Bureau Chief
Bureau of Long Term Services and Supports

Subject: Interpreter Services/ Reassessments: Updated Interpreter Provider Listing

As previously communicated in PM/VM-16-11, Division of Senior and Disability Services (DSDS) will pay for interpreter services utilized by Home and Community Based Services (HCBS) providers for reassessments conducted on behalf of DSDS. Interpreter services can be provided by phone or in-person and includes sign language services. Interpreter providers which are contracted with the State of Missouri and identified in this memorandum must be utilized.

The interpreter providers available have changed and this memo is being sent to update providers conducting reassessments with that information.

Providers shall continue to use the codes listed below for the Regions. In order for DSDS to be billed for the interpreter services, the HCBS provider will need to provide the interpreter representative with the appropriate four digits regional organization code along with the activity code (QAN7) listed below. These codes shall only be utilized for HCBS reassessments. A map of the DSDS regions is attached. The region selected shall include the county in which the individual is authorized to receive HCBS. The appropriate regional DSDS office will receive the bill for the interpreter services from the interpreter provider based on the regional organization code provided.

- Region 1: 4661QAN7
- Region 2: 4662QAN7
- Region 3: 4663QAN7
- Region 4: 4664QAN7
- Region 5: 4665QAN7

All HCBS providers requesting interpreter services for an HCBS reassessment must complete a Limited English Proficiency (LEP) Consumer Report Usage Data Sheet and submit to the appropriate regional office.
