

Monthly Bulletins are your one-stop-shop for all last month's highlights!

Reminders

All remediations must be completed to be considered a complete assessment. Someone within your agency is required to complete any outstanding remediations for an assessor that has since left the agency.

Meal Prep vs Eating:

Meal Preparation (G1a):

This task incorporates all preparation that occurs **prior** to bringing it to the table. May include planning meals, assembling ingredients, and acts of cooking (lifting pots/pans, stirring food, etc...)

Coding of G2j (Eating):

Some of these tasks includes:

- cutting up food, opening containers or carrying food to eating area.
- oversight for safety and reminders to take a bite
- caregiver placing and/or securing utensils/cup and handing food to person to self-feed
- caregiver feedings the individual,
- caregiver hanging feeding tube

TLOC Updates

Several quick guides have been updated to reflect the Transformed LOC guidance. Please replace any saved or printed versions of these guides to ensure you are referencing the most up to date guidance!
