

Division of Senior and Disability Services 

G

**Section G-
Functional Status**

- G1. Instrumental Activities of Daily Living (IADL) Self Performance and Capacity
 - Self Performance – measures what the person actually did within each IADL, in the last 3 days.
 - Scoring 0-6, 8
- Capacity - based on the person's presumed ability to carry out the activity.
 - Scoring 0-6

• IADLs include – shopping, meals, transportation, using telephone, managing medications, managing finances, stairs etc.

Division of Senior and Disability Services 

G

**Section G-
Functional Status**

G2. Activities of Daily Living (ADLs) Self-Performance

- Setup vs supervision
- Weight bearing
- Activity did not occur vs. total dependence

Division of Senior and Disability Services 

Scoring Rules

- If all episodes are the same then score at that level. For 0= independent, 6 = total dependence or 8 = activity did not occur all performance episodes must be at that level.
- If any episode at level 6 and others are less dependent, score ADL at a 5
- Focus on the three most dependent episodes.

Division of Senior and Disability Services 

G

**Section G-
Functional Status**
