DELIVER HOPE

Project Deliver Hope is local faith-based organizations coming together to offer aid during the COVID-19 pandemic for those over 60 years of age. To sign up to receive meals once a week, call 573-686-2074. Any individual who calls needs to provide the name, phone number, address and date of birth for the person who would receive meals.

Deliver Hope will also address the isolation of the elderly population. As individuals are asked to stay home, especially at-risk seniors, the lack of social interaction can be challenging. Volunteers call individuals on their list at least once a week during the pandemic to check in and talk with seniors.

Each day the United Gospel Rescue Mission takes care of the less fortunate in Butler County, and the surrounding areas. Our mission, first and foremost, is to give the Gospel of Jesus Christ to those with whom we come in contact. Our year-long residential treatment program helps men find the love of Christ while teaching them how to live free from drugs and alcohol. Some of the men who come to us do not have alcohol or drug addiction issues. However, they have been released from prison, or life's struggles have thrown them into despair and pain. They are ready to give up. We have an open door to give them a safe place to pour out their struggles, begin healing the wounds that life has dealt, and give them the tools to live a different life - a "New Life". Our New Life Program offers men from all walks of life, the new hope in Jesus Christ that is found through a personal relationship with Him.

Transient Men Housing: Emergency shelter is currently offered for three nights of shelter a month. However, Pastor Kirk will consider individual situations and may offer a plan for extension and exceptions. Men, if you are seeking shelter, contact the Kay Porter House for information. After a shower and snack, you will find a freshly made bed awaiting you in our Transient Shelter. The doors open at 8:00 PM and you must have an official ID. After a safe night's rest, men using emergency shelter will receive breakfast and then are dismissed. If they have another night of shelter, the doors will be open at 8:00 for their return.
