Oral Health Care

COMTREA wants to be your medical home

For adults We *primarily* serve pregnant women and some nursing home residents although some exceptions can be made. We can provide limited dental services, regardless of your ability to pay. Other services for the general population will be available in September, 2014 after the governor signs the 2015 budget. Current services include:

- Teeth Cleaning
- Preventative Care
- Fillings
- Digital Dental X-Rays
- Fluoride
- Simple Extractions
- Deep Cleanings
- Root Canals*
- Crowns*
- Bridges*
- Dentures*
- Partial Dentures*
- Acute issues assessment and referral as needed

*These services are available on a limited basis

Effective September 2014 we will be able to provide preventive care, extractions and fillings for patients covered by Medicaid and others who have no coverage.
