# REGIONAL CENTER

**Services Provided:** Working side by side with individuals, families, agencies, and diverse communities, the Department of Mental Health establishes philosophy, policies, standards, and quality outcomes for prevention, education, habilitation, rehabilitation, and treatment for Missourians challenged by mental illness, substance abuse/addiction, and developmental disabilities. The regional offices, the primary points of entry into the system, provide assessment and case management services, which include coordination of each individual persons centered plan. A regional office may refer an individual to a habilitation center. Habilitation centers primarily serve individuals who are medically and behaviorally challenged or court committed. All habilitation centers are Medicaid certified.
