

Our Mission

New Life Mission Inn – MO is a nonprofit, faith based organization that was founded in 2008. The mission of New Life Mission Inn-Missouri is to provide structured recovery services in a spiritual environment of support and accountability for people affected by addictions

To promote and sustain spiritual growth in addicted individuals including outreach to local spiritual community leaders.

To promote productive citizenship and positive community integration.

To advocate for personal dignity of every addicted individual in a therapeutic setting within the family and in the community.

To cultivate self-esteem in addicted individuals and their families.

To establish links to a variety of community agencies that will facilitate a system of care and one stop service for addicted individuals and their families.
