Housing is Healthcare

What began more than 30 years ago as an eight-bedroom hospice has since expanded to six residences offering 58 units of housing and nearly 600 rental assistance vouchers for individuals throughout the greater Kansas City metropolitan area. Our mission: To provide comprehensive housing solutions to empower socially and medically disadvantaged people to improve their health and lead stable lives with personal dignity.

OUR STORY

VISION

A world free of homelessness and discrimination in housing. During the coming year as new initiatives and strategic plan goals are solidified and put into place, SAVE, Inc. will strive to reach more individuals in need and empower and change the lives of those we serve.
