Subject: Legal Aide

FYI-Not sure who all knows this but Legal Aide of Southeast Missouri moved from their Charleston location to Miner. I do not have their current address in Miner but know it is in the bank building across from El Tapatio on East Malone. Also their former 800 number is not good, 800-748-7456. The only toll free number now is 800-444-4863 but that will get you to Springfield.

The local number of 573-683-3783 is still good but their phone lines are jacked up and aren't expected to be straightened out until April 10th. I do know one gal said she kept calling and kept calling and finally got a human at that number. I have not been able to verify if their fax number they use to have is still good or not yet.

If anyone has any other info, please share. Thanks!
