Our nonprofit foundation was established in memory of two individuals that were and continue to be very dear to our hearts.

Karen Sheets 1952-2008. A very dear friend and an inspiration to everyone who knew her.

Ruth Neil Young 1933-2007. Mother, motivator, and encourager. Our motto is taken from a card that she distributed to many people. It said:

Only one life, Twill soon be past. Only what's done for Christ will last.

"I can do all things through Christ which strengthened me." Phil. 4:13

Our purpose and goal is to provide needed medical equipment and supplies to individuals who, for some reason, are not able to get that equipment. Or, if you need an item temporarily, contact us instead of purchasing new equipment.

We take donations of any type of medical equipment, clean it, repair it and get it ready for use.

Then when an item is needed, it is provided at no cost to the individual. We do accept cash donations, but it is not a requirement to get the equipment.

If you or someone you know needs medical equipment or has unused items to be donated, contact us or stop by our office.

We would also like for you to consider a cash donation to help us continue this ministry, but most of all we desire your prayers for us and our efforts.

God Bless You!
