Medicaid Home and Community-Based Waivers Overview

Division of Developmental Disabilities (DD)

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

What is a HCBS Medicaid Waiver?

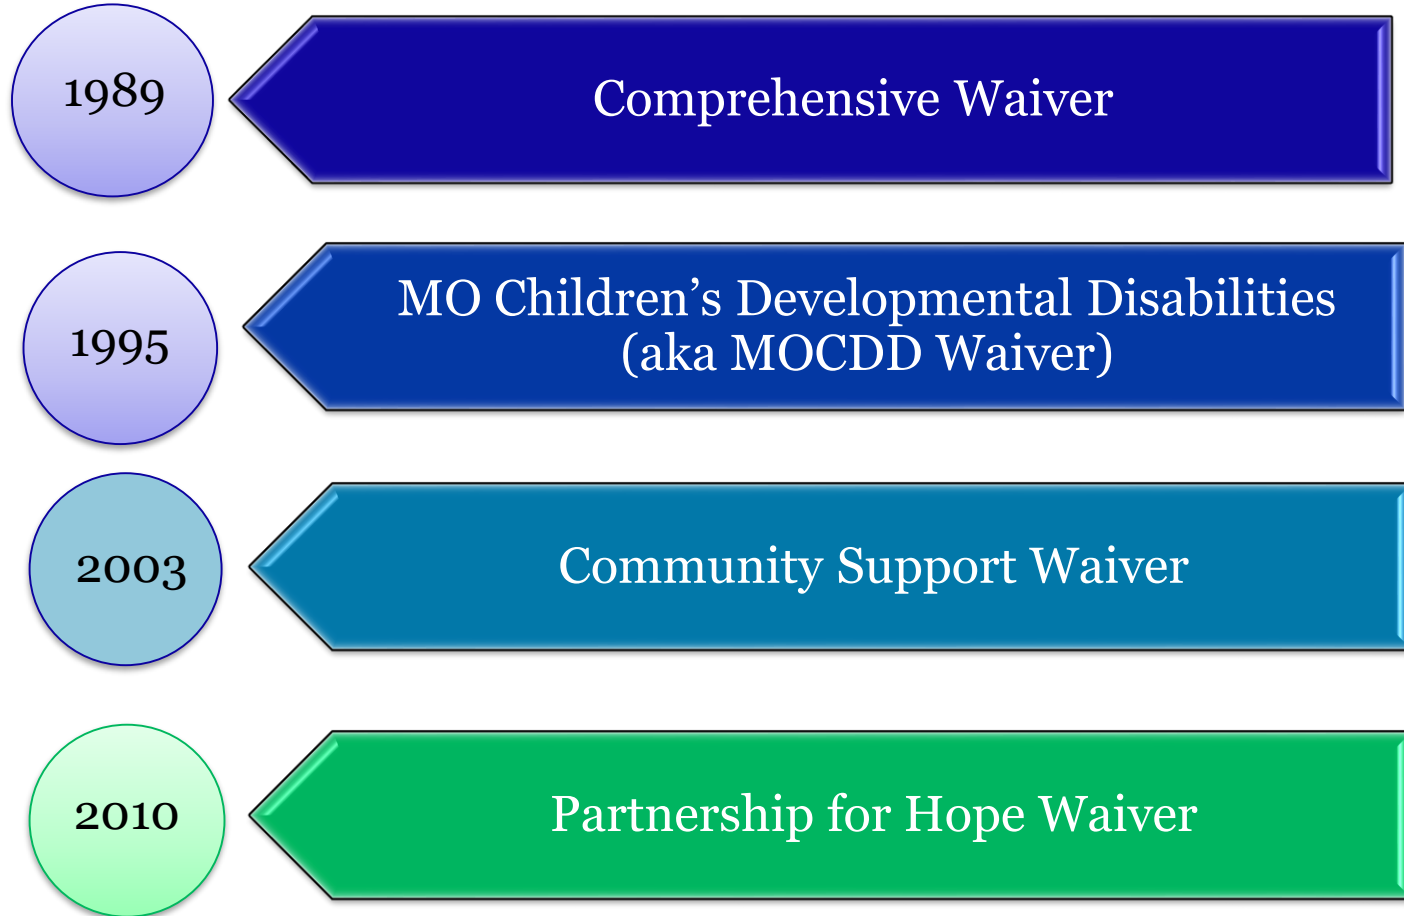

- A **waiver** allows states to deliver & pay for services beyond Medicaid state plan services.
- A **Home & Community Based Service (HCBS) waiver** provides waiver services to support individuals to live in the community.
- **Division of Developmental Disability** operates four 1915(c) HCBS Waivers for individuals with a developmental disability. The Division determines:
 - Number of people served
 - Services covered
 - Amount spent on services in each waiver

MO Waivers

Administered by DMH/DD

Division of Developmental Disabilities (DD) Waiver Eligibility

- Be eligible for MO Division of Developmental Disabilities
- Be MO HealthNet (Medicaid) eligible as determined by Missouri Family Support Division.
- Evaluation of Need for Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) Level of Care
 - Meet the federal definition of developmental disability (three substantial functional limitations).
 - Have active habilitation needs.
 - Reasonable indication that the individual would require ICF/IID **if** Home and Community Based waiver services were not provided to assist the individual to live in their community.
- ICF/ID Level of Care is determined initially and re-evaluated at least annually or as specified in the approved waiver.

What You Need to Know Comprehensive

- ❉ The Comprehensive waiver is the only Developmental Disabilities (DD) waiver that provides residential services, such as, Individualized Supported Living, Shared Living, and Group Home.
- ❉ The Division tries to meet the participant's needs in other waivers prior to entry in the Comprehensive waiver. The other DD waivers provide the same services, except residential, home delivered meals, family peer support and dental.
- ❉ The Division's goal is to support participants in the most integrated setting in their community as long as possible.

What You Need to Know

MOCDD

- 🕒 The MOCDD waiver is for children (under the age of 18) who live with family, have an ongoing waiver service need, and use at least one waiver service monthly.
- 🕒 If the child is determined eligible for the MOCDD Waiver, he or she will be placed on a wait list.
- 🕒 On a quarterly basis, available MOCDD waiver slots are offered to children on the wait list who have the most critical unmet needs.

How to Identify a Child for the MOCDD Waiver

Unmet Needs

Family reports the child's needs cannot be met through private health insurance, resources (such as bank accounts or trusts), natural supports (family or friends), or community resources (First Steps or grants).

MO HealthNet

Child is ineligible for any MO HealthNet program.
If the child is eligible for MO HealthNet with a spenddown, family must show how the spenddown is a financial burden that cannot be met with incurred expenses.

Waiver Need

Child must be waiver eligible, and
Child must have an ongoing waiver service need and use at least one waiver service monthly.

Important Facts About the PFH Waiver

This waiver serves over 3,700 participants in the community and has an individual cost cap of \$12,362.

There is an exceptions process to exceed the individual cost cap.

SB40 and the Division of DD will each pay half of the match for each PFH waiver slot.

What you need to know

Services only available in PFH
Family Peer Support
Dental
Temporary Residential Services

The participants must be residing in a participating county and meet crisis or priority criteria.

Things to Keep in Mind for all DD Waivers

- 🕒 Items and services covered by MO HealthNet State Plan must be used first before waiver services are authorized.
 - Medical Equipment
 - Personal Care
 - Doctor's office visits
 - Dental
 - Therapies

- 🕒 Individuals may only participant in one HCBS waiver at a time.

- 🕒 A child may be eligible to receive services from DHSS Healthy Children and Youth (HCY) Program and a DD waiver.

Provider Criteria

- Interested providers contact the Division of DD Regional Office in the area where they plan to provide services.
- Regional Office contract staff determines if the provider meets provider qualifications (licensing, certification, accreditation, training, appropriate staff, etc.).
- If the provider is qualified, the Regional Office initiates a DMH Waiver contract with the provider and assists the provider with enrolling as a DD Medicaid Waiver provider through the Medicaid agency.
- The average time to enroll as a waiver provider is estimated to be 90-days.
