

# Healthy Children and Youth (HCY) Program

Bureau of Special Health Care Needs

[Health.mo.gov/seniors/shcn](https://health.mo.gov/seniors/shcn)

## Description

The HCY Program provides service coordination and authorization for medically necessary services for MO HealthNet fee-for-service recipients with special health care needs from birth to age 21. Service coordination includes assessment through home visits and links to services and resources that enable individuals to remain safely in their homes with their families. Authorized services may include in-home personal care, in-home nursing care and skilled-nursing visits.

## Eligibility

The participant must:

- Be a Missouri resident
- Be birth to age 21
- Need medically necessary services
- Be enrolled in MO HealthNet (fee-for-service, not managed care)

## Service Coordination

Service Coordination includes:

- Evaluation and assessment of needs
- Identifying and accessing service providers
- Service plan development and implementation
- Coordination of services through resource identification and referral
- Family support
- Assisting in establishing a medical home
- Transition planning
- Prior Authorization of medically necessary services, including:
  - Private duty nursing
  - Advanced personal care
  - Personal care aide
  - Skilled nursing visits
  - Authorized Registered Nurse visits
